

# Family Promise

of Greater Modesto

Love is Patient, Love is Kind

### Family Date Night

On Saint Valentines Day this year, our wonderful staff decorated our Family Gathering Place for a little "Family Date Night" to help our families connect and enjoy the holiday together.

The families ate dinner and mingled together, after they opened goodie bags and played bingo together, we finished the night with a movie before turning in for the evening.

The families had a wonderful time together bonding!

"I got to spend Valentine's Day with the two loves of my life." -Michelle

### New Partnership

### **Baddies Love Jesus**

Through this partnership, Baddies Love Jesus and Family Promise Campus can transform lives by equipping individuals with the knowledge, confidence, and faith they need to succeed.

### 📢 Announcement Time 📢

This month we had a wonderful family of four move into their own permanent housing!

Securing permanent housing is a significant milestone for any family, providing stability, security, and a sense of belonging. It marks the beginning of a new chapter filled with opportunities and growth. For this family of four, having a place to call their own means they can create lasting memories, establish routines, and build a strong foundation for their future. It's an achievement that deserves celebration and recognition, as it often involves overcoming challenges and hard work. May their new home be filled with happiness, love, and prosperity as they settle in and make it uniquely theirs.

# We need your support

Family Promise of Greater Modesto is making a significant impact in the community, thanks to the generous support and donations from local residents. Our organization is dedicated to helping families in need by providing essential services and resources that empower them to regain stability and independence. Through collaborative efforts, we offer temporary housing, shelter, meals, and support programs to help families in these circumstances. This initiative not only addresses immediate needs but also focuses on long-term solutions to break the cycle of homelessness. The unwavering community support is instrumental in driving these efforts, allowing Family Promise to continue its mission of healing and hope for families facing challenging times.

*“Small Acts, when multiplied by millions of people, can transform the world”*

## Be a part of your community!

If you are looking for help, resources or are want to be a part of what we are doing, contact us to find out more about specific resources and opportunities. We welcome any questions and look forward to working with you!
